AWARDS & PRIZES
We want everyone to participate and have a great time regardless of how much money they bring in. Prizes are not awarded based on the amount of money each participant raises, but instead are based on involvement and engagement with the event. We've developed a point system that is intended to reward participants for both the number of sponsors they have and the number of laps they run.

THE COURSE

Each school's course will have a lap length of approximately 1/4 mile and students will be limited to 30 minutes.

- A sponsor can only be counted toward your point total if they have paid their donation (either online or in person) before the collection deadline.
- Sponsors may pledge support for each runner only once.
- Students may not sponsor each other.
- Contributions collected after the deadline will be credited to the school's Run for the Arts account but will not affect scores.

SPONSOR RULES

Note: deadlines are listed on the front page side.
From all in-person sponsors and have reminded all your online sponsors.
Deadline #1: Pledge Deadline. Collect any "per lap pledges" (I promise to pay \$ per lap) before this date. Your sponsor sheet needs to be turned in so that the school can record the number of laps run. The school will return your sheet after the Run so that you can collect "in-person" funds and continue to record online sponsors.
Deadline #2: Sponsor sheet and funds are due this day. Be sure you have collected checks from all in-person sponsors and have reminded all your online sponsors.
