

Young Audiences
Arts for Learning
Oregon & SW Washington

Dear Families,

Young Audiences is a nonprofit arts organization with a mission to inspire young people and expand their learning through the arts. Since 1977, we have helped schools and students raise funds for arts programs with an annual jog-a-thon.

This year with Fun for the Arts, children across the region are invited to dance, or move in their own way, with a new dance-a-thon format! They'll get moving and shaking to raise funds for arts experiences in their schools. Memorable experiences like field trips, hands-on learning with different mediums, and residencies with professional teaching artists, will strengthen their love for learning and deepen their understanding of various subjects.

Your child can participate in the fun as much or as little as they would like! Prizes and encouragement are provided along the way. We hope you will encourage them to join in, have fun, and support their school!

Please help your child by:

1. Registering your child to collect online donations at **funforthearts.ya-or.org**. Students can collect donations online, collect donations offline (and record them on their online fundraising profile), or choose to do both.
2. Collecting donations from sponsors like family, friends, and neighbors by sharing the online link or collecting offline donations.

Help your child follow the timeline below so deadlines are not missed:

1. **Fun for the Arts Dance-a-thon: March 4, 2022**
Students participate in the dance-a-thon on Friday, March 4, 2022.
All donation pledges from sponsors must be made before the event begins.
2. **Money Collection Due Date: March 18, 2022**
All online and offline pledge donations must be received by the school by Friday, March 11.

With your help, your child and our school will have a lively and impactful Fun for the Arts. If you have further questions, please contact your school coordinator.

Thank you!

The Young Audiences Team
