

Dear families, Young Audiences is a non-profit arts organization that works to inspire young people and expand their learning through the arts. Since 1977, Young Audiences has helped schools and students raise funds for their arts programs with Run for the Arts.

This year our Run for the Arts will take place remotely as a FUN for the Arts event. The money raised through this event will be used for performances, workshops and residencies with professional teaching artists, field trips, and arts supplies.

Your child's participation in the event is voluntary, but I hope you will encourage them to join in, have fun, and support our school!

Please help your child by:

- Registering your child to collect online donations at [runforthearts.ya-or.org](http://runforthearts.ya-or.org). Students can collect donations online, collect donations offline (and record them on their online fundraising profile), or choose to do both.
- Collecting donations from family, friends and neighbors by sharing the online link or collecting offline donations

Help your child follow the timeline listed below so deadlines are not missed:
